

Where Can I Go?

FareKards are good for travel anywhere in the Franklin, Granville, Vance and Warren County service area. FareKards are not used to or from Wake Forest, Raleigh, Durham and Chapel Hill.

What Will My Trip Cost?

When you schedule your ride, make sure you ask the reservationist the total cost of your trip. Then you'll know exactly how much the fare is and how many FareKard tickets you will need.

As Always...

Trip requests are taken Monday through Friday from 8 AM to 5 PM. Service requests for the following day are taken no later than 1 PM, or as capacity allows.

Be ready to go at least 60 minutes before you need to arrive at your destination. The driver is only allowed to wait 5 minutes.

Please limit shopping purchases to two bags per passenger.

If you will be unable to keep a reserved ride, you need to cancel the trip. If you fail to cancel, you will be marked a No-Show and will have to pay for the missed trip before you can make another reservation.

Seatbelts are required!

FAREKARDS

FareKards are an easier, more simplified way to pay for General Public trips. No need to carry cash or fumble for exact change. By purchasing FareKards you can prepay for your transportation and get a discount off the cash rate.

WHAT ARE FAREKARDS?

A FareKard is a sheet of 24 tickets you purchase in advance from the KARTS office. Each ticket equals \$1. Each time you board the vehicle, give the driver the number of tickets equivalent to your fare.

FareKards are non-refundable, so have your transportation scheduled before you make a purchase. FareKards do not expire. FareKards are not eligible for trips to Wake Forest, Raleigh, Durham and Chapel Hill.

HOW CAN I GET FAREKARDS?

FareKards may be purchased at the KARTS office or through the mail using the attached order form. A regular FareKard sheet costs \$20. Purchase with cash or money order only. KARTS does not accept personal checks, credit or debit cards. KARTS drivers do not sell FareKards.
